RE: *Engine Dynamics Inc. V. LONG ISLAND LADY*
C.A. No. 04-1402-KAJ

Dear Judge Jordan:

Enclosed please find a courtesy copy of the Motion to Vacate Arrest, Post Security and to Set Briefing Schedule (the "Motion") filed today. As indicated in the attached Motion, despite our best efforts, settlement negotiations have not been successful and we now need to request the transcript and set a schedule for this Court's full consideration of the parties' claims and defenses.

We are available at the Court's convenience to discuss the issues raised in the Motion.

Respectfully submitted,

Cheryl Siskin
